ORDER ACCEPTING STIPULATION ON CERTAIN DISPUTED ISSUES, RESOLVING
REMAINING DISPUTED ISSUES, ESTABLISHING REVENUE REQUIREMENT,
MAKING INTERIM RATES PERMANENT, ESTABLISHING PERMANENT RATES,
RULING ON MOTIONS, IMPOSING DIVIDEND RESTRICTION, OPENING DOCKETS

BY THE COMMISSION:

Summary

We accept a stipulation of all parties resolving certain revenue
requirement, rate base, and other issues. We resolve all remaining disputed issues.
We determine a revenue requirement. We make the interim rates permanent and

satisfactorily explaining how the characteristics of the proxy groups matched ML&P's actual circumstances. Further, the testimony did not identify changes specific to ML&P that require a change to the adjudicated ROE.

Equally important in our decision on a fair ROE is our weighing of the testimony presented at hearing. The testimony from ML&P's ROE expert at hearing³¹⁰ left us with little confidence in the ROE advocated by ML&P. However, in reviewing the testimony presented by all of the parties we find that the ROEs proposed by the AG and PHS are unreasonably low.

When we apply our own reasoned judgment to the record presented in this docket we find that a fair ROE for ML&P remains 10.93%.

Total Weighted Cost of Capital

Based on the above decisions we calculate ML&P's total weighted cost of capital as follows:

Municipal Light & Power Cost of Capital Test Year Ended December 31, 2012			
Capital Component	EMP Actual Capital Structure	Cost	Weighted Cost
Debt	55.5%	4.55%	2.53%
Equity	44.5%	10.93%	4.86%
Total Weighted Cost of Capital			7.39%
