Order U-18-039(2)

ORDER GRANTING REQUEST TO VACATE SHOW CAUSE HEARING

With Order U-18-039(1), we scheduled a hearing on June 19, 2018 in Juneau, Alaska, to give Alaska Electric Light and Power Company (AEL&P) an opportunity to show cause why a portion of its revenue in an amount equal to the estimated impact of the Tax cuts and Jobs Act of 2017 (2017 Tax Act) on AEL&P's revenue requirement should not be declared interim and refundable. On June 15, 2018, AEL&P and the Attorney General (AG) filed a stipulation under which AEL&P agreed to an across-the-board base rate reduction of approximately 6.73 percent to reflect the impact of the 2017 Tax Act on AEL&P's revenue requirement. Under the terms of the stipulation, this rate reduction would be effective January 1, 2018 and would be implemented on August 1, 2018. Included with the stipulation is a request by AEL&P and the AG to vacate the June 19, 2018 show cause hearing.

I grant the request to vacate the show cause hearing scheduled by Order U-18-039(1) to be held in Juneau, Alaska at 11:00 a.m. on June 19, 2018.

I electronically notified the following parties:

AEL&P - Dean D. Thompson (ddt@khe.com)
Connie Hulbert (Connie.Hulbert@aelp.com)

AG - Jeffrey J. Waller (jeff.waller@alaska.gov)
John M. Ptacin (john.ptacin@alaska.gov)

This order can be reconsidered in its current form within the time established by regulation.

Please place a copy of this order in the formal file in this proceeding.
