By Order of Administrative Law Judge Jeffrey F. Davis:

Order U-17-093(7)

ORDER DENYING MOTION TO CANCEL HEARING

On June 12, 2018, TDX North Slope filed a motion to cancel the show cause hearing scheduled for 2 p.m., June 18, 2018. TDX North Slope indicates that it conferred with the AG and was not able to attain a consensus on non-opposition to its motion within the current time frame.

I deny TDX North Slope's motion. The show cause hearing will proceed as scheduled. To accommodate out-of-state counsel, TDX North Slope may participate telephonically at the hearing. TDX North Slope should advise us in advance and provide a telephone number where it may be reached for that appearance.

I electronically notified the following parties:

TDX North Slope – Elisabeth Ross (eross@dc.bhb.com), John Lyons (jlyons@tdxpower.com), Michelle Barnett (mbarnett@aldrichadvisors.com), Michael Hubbard (mhubbard@finengco.com)
AG – Jeffrey Waller (jeff.waller@alaska.gov), Jason Hartz (Jason.hartz@alaska.gov)

This order can be reconsidered in its current form within the time established by regulation.

Please place a copy of this order in the formal file in this proceeding.
