

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Alaska Power Company (APC) filed TA870-2, proposing to revise Section 6.7 (Applicable Rate) and make other housekeeping changes. With TA870-2, APC proposes to include language stating that the utility will determine the appropriate initial class of service for a customer based on estimated power use at the location. APC also proposes to include that in addition to a customer being able to request a review of its service, APC may also review the appropriateness of the customer's rate schedule. The review process will consist of evaluating the customer's power usage over a 12-month period.

This notice may not contain all requested revisions and the Commission may approve a rate or classification which varies from that proposed. You may obtain information about this filing by contacting Steven J. Kramer, Senior Director of Regulatory Affairs for APC, at P.O. Box 3222 Port Townsend, WA 98368; phone: (907) 864-3211. The complete filing is also available for inspection at the Commission's office at 701 West 8th Avenue, Suite 300, Anchorage, AK 99501; phone: (907) 276-6222, or may be viewed at the Commission's website at <http://rca.alaska.gov> by typing "TA870-2" in the *Find a Matter* search box.

To comment on this filing, please file your comments by 5:00 p.m., June 14, 2018, at the Commission's address given above or via our website at:
