Hi Steve,

Is there anyone else who can file the transcript for you? If not, then we will expect the transcript on April 13. I hope all goes well with the surgery.

Thank you.

Good Afternoon, Ms. Fletcher-Mitchell!

I am requesting an extension for the filing of the transcript of the Public Hearing being held today at the RCA in the East Hearing Room.

I have personal day scheduled on Thursday, April 12, to assist and care for my spouse while she undergoes minor surgery.

Because this was a last-minute scheduling, I am not able to re-schedule her surgery.

I believe I will be able to get the transcript to the RCA by Friday, April 13.

Thank you for your kind consideration.

All the best!

Steve
