Importance: High

Good morning,

Please see the request from Steve of NLRR. Would having the three transcripts turned in on November 27 versus three business days from the November 17 public hearing cause a hardship?

Thank you.

Good Afternoon, Ms. Fletcher-Mitchell!

I'd like to request more time to deliver the transcripts regarding the Special Public Meeting to be held on November 15, and the Prehearing Conference and the Public Hearing regarding U-16-094 & U-17-008 to be held on November 16 and 17, respectively. We have personnel who are going to be out of town for the Thanksgiving holiday, and would like more time to complete the transcripts. If we may turn in these transcripts on Monday, November 27, it would be most appreciated.

Thank you!

All the best!

Steve
