¹ RCC - Regulatory Cost Charge (Statutory Authority AS 42.05.254). The Regulatory Cost Charge is a special surcharge applied to all regulated retail customer billings to pay the utility's share of the Commissions expenses.											
² For Enstar, rates are based on G1 class rates, which encompass the vast majority of, but not all residential customers - some heavy use residential customers fall into other classes, and their use is not represented in Avg. Monthly Usage figures used to calculate sample bills.
