In the Matter of the Negotiated Joint Traffic Agreement Between YUKON TELEPHONE COMPANY, INC. and Alaska DigiTel, LLC ORDER NO. 2

ORDER APPROVING INTERCONNECTION AGREEMENT AND CLOSING DOCKET

BY THE COMMISSION:

Summary

We approve the joint traffic interconnection agreement between Yukon Telephone Company, Inc. (YTC), a local exchange carrier, and Alaska DigiTel, LLC (Ak DigiTel). We close this docket.

Background

YTC submitted a negotiated interconnection agreement between Ak DigiTel, a wireless carrier, and itself.\(^1\) We issued public notice of the agreement with comments due by November 2, 2007. We received no comments.

\(^{1}\)Joint Traffic Interconnection Agreement, filed September 20, 2007 (Interconnection Agreement).
Discussion

Under the Telecommunications Act of 1996 (the Act), we must approve or reject a negotiated agreement within ninety days after its submission or the agreement shall be deemed approved. We may reject the agreement if it discriminates against a telecommunications carrier not a party to the agreement or if implementation of the agreement, or any portion thereof, is not consistent with the public interest, convenience, and necessity.

We reviewed the proposed interconnection agreement. The agreement provides for the parties’ interconnection of networks and for reciprocal compensation for the termination of telecommunications traffic between YTC and Ak DigiTel. The interconnection agreement also provides that Ak DigiTel will pay YTC $184.81 per month, equivalent to fifty percent of the monthly recurring charges, for the requested number of local trunks between YTC's facilities and Ak DigiTel's central office, both located in Whittier, Alaska. The facilities charges will be based on YTC's tariffs, as amended periodically.

Based on the record before us, we do not find that the terms in the interconnection agreement are discriminatory to third parties or that the terms are inconsistent with the public interest, convenience, and necessity. Therefore, we approve the interconnection agreement.

This order constitutes the final decision in this proceeding. This decision may be appealed within thirty days of the date of this order in accordance with AS 22.10.020(d) and the Alaska Rules of Court, Rule of Appellate Procedure (Ak. R. App. P.) 602(a)(2). In addition to the appellate rights afforded by AS 22.10.020(d), a party has the right to file a petition for reconsideration as permitted by 3 AAC 48.105. If such a petition is filed, the time period for filing an appeal is then calculated under Ak. R. App. P. 602(a)(2).

No substantive or procedural matters remain in this proceeding, and there are no allocable costs under AS 42.05.651 and 3 AAC 48.157. Accordingly, we close this docket.

ORDER

THE COMMISSION THEREFORE ORDERS:

1. The Joint Traffic Interconnection Agreement, filed September 20, 2007, by Yukon Telephone Company, Inc. on behalf of Alaska DigiTel and itself is approved, effective the date of this order.

2. Docket U-07-119 is closed.

DATED AND EFFECTIVE at Anchorage, Alaska, this 19th day of December, 2007.
